*Cindi de Channes is an on-location portrait photographer, available for family, children, infant, maternity, engagement, high school senior, professional & corporate portraits...and beyond. Albums, coffee table books, birth announcements and full printing/framing services are available.*

### **Kiva Lending...**

I began the Kiva Lending Program in 2009, making loans to small business owners around the world struggling against poverty with wedding deposit money. I am now extending this program to First Year in Pictures packages. \$50 of any portrait package will go toward two Kiva loans. You are invited to browse the Kiva web site and select the entrepreneurs you would like to support. (<http://kiva.org>)

### **CCP Registry...**

You have the option to create your own personal Registry. Consider your baby's first year of portraits paid for by gifts from guests at your baby shower. This account is fully integrated into the CCP website where you'll be able to log in and view your accumulated credit. The registry is also available as a bridal registry, or birthday registry, or any occasion for receiving gifts.
